Four Ignored Things

Sometimes it is good to ignore things, but most of the time ignoring things is not the best course of action. The series in First and Second Peter is going to end with a list of things people are disregarding when Peter is writing his letter.

I think they are four things that people are still ignoring today.

1. THE P _____
2. THE P _____
3. THE P _____
4. THE P _____

Robert

But the day of the Lord will come like a thief, in which the heavens will pass away with a roar and the elements will be destroyed with intense heat, and the earth and its works will be burned up. Since all these things are to be destroyed in this way, what sort of people ought you to be in holy conduct and godliness, looking for and hastening the coming of the day of God, because of which the heavens will be destroyed by burning, and the elements will melt with intense heat! But according to His promise we are looking for new heavens and a new earth, in which righteousness dwells.

2 Peter 3: 10-13

God Is Faithful To His Promise

God said in the long ago, "While the earth remains, seedtime and harvest, and cold and heat, summer and winter, and day and night shall not cease" (Genesis 8:22).

The changing seasons are proof of God's faithfulness to His Word. Even in the bleak deadness of winter, we can be sure that the spring will blossom with life. God keeps His promises!

That is why it is not difficult for us to believe what he has said about life beyond the grave, the future resurrection from the dead, and the glorious consummation of our hope in heaven. God is utterly dependable!

"The Lord is not slow about His promise, as some count slowness, but is patient toward you, not wishing for any to perish but for all to come to repentance" (2 Peter 3:9).
