Summer Youth Intern

During last fall's planning session, many great suggestions emerged that have and will continue to benefit the church in Puyallup. One of those was the prospect of having a youth minister intern for the summer months. As a part of the church budgeting process, this was incorporated for 2017.

After much prayer and planning, the elders have offered the position to a young man, Jacob Campbell. He came very highly recommended, and we believe that his presence will be a tremendous blessing for all the Puyallup church, especially our young people and their families.

Jacob is 23 years old and from Franklin, Tennessee, a few miles south of Nashville. His father is an elder and his mother serves as the church secretary, and he is the oldest

of three sons. He served as a summer youth intern for the past three years at Spring Meadows Church of Christ in Spring Hill, Tennessee, under Dale Jenkins (preacher) and Jerry Elder (youth minister). He is scheduled to graduate from Freed-Hardeman University in May with a degree in counseling. He also enjoys reading, hiking, and sports of all kinds.

He is looking forward to the opportunity to work with the Puyallup Church of Christ this summer, as we also look forward to his presence with us. Jacob will be arriving May 23rd and be staying with us until mid-August. May God continue to richly bless us all!
