

The LORD is my light and my salvation;
whom shall I fear?
The LORD is the strength of my life;
of whom shall I be afraid?

(Psalm 27:1 (New King James Version))

Are You Walking in the Light?

When I was born, the population of the earth was 2.6 billion. Today, it's 7.6 billion. Each person has a soul that needs the Lord Jesus and His saving blood. Each person has a soul that will spend eternity somewhere, either with the Lord or without Him. That is why preaching the gospel is so vitally important.

This is my 25,035th day to live. My heart has beaten 2.5 billion times and I have drawn 539 million breaths. I was not destined to live on this earth forever. God has a plan one day to end this world and to assign us to our eternal home. I am closer to eternity today than I have ever been, and so are you!

Romans 13:11-12 Besides this you know the time, that the hour has come for you to wake from sleep. For salvation is nearer to us now than when we first believed. The night is far gone; the day is at hand. So

then let us cast off the works of darkness and put on the armor of light.

Are you walking in the light?

Phil Sanders, *In Search of the Lord's Way*

Bring love wherever you go.

Shine light wherever it's dark.

Leave blessings wherever you've been.

Be kind wherever you are.

Mary Davis

Delano Bay Christian Camp Work Party: Given the current status of social distancing, the Spring Work Party is going to be done a little differently this year. The camp greatly appreciates all volunteer efforts and donations and hopes that these changes will not affect anyone's desire or ability to help at the camp. Instead of having a specific work day, volunteers can select a Work Party task from a list (see below) and co-ordinate a time with the camp to do the work. People can volunteer in small groups, 1 to 3 people, and co-ordinate a time convenient for themselves when no others groups are working. This will honoring social distancing requirements and be safe while volunteering. If there is a task that you want to volunteer for, please call Greg and Charlotte Larson (camp caretakers) at (253) 884-2966 to arrange a time!
